Global Networking & Sourcing Solutions

ABILITY

We have a very good working relationship with manufacturers and ability to negotiate best rates for large volume, co-ordinate production deadlines, check and follow up on available stocks for urgent and small volume not meeting the minimum order quantity (MOQ), secure confirmed time lines, ensure product specifications are met and shipment is guaranteed on board vessel/freight. The ability to communicate in a timely and professional manner in clear modes of communication – English, to meet the global demands of the customers and ensure a smooth flow. Additionally, we have representation with liaison partners located in Thailand, Indonesia, Philippines, China, Malaysia and Cambodia.

THE FACTORY / SUPPLIERS

Meeting the highest standards of business practice with certifications from FDA, CE, ISO. Production capacity - large volumes of over 1000 cartons a day (2,500,000 – 4,000,000 pieces) on Masks and 100,000 pieces for surgical gowns, ability to execute large volume orders and direct shipping from factory.

SHIPPING/FREIGHT

Assist in obtaining best rates and services from courier to airfreight or sea freight – ex Ho Chi Minh City on behalf of the consignee. Ensuring all customs declarations/ documentation checks for a smooth operation. 3rd party inspections for large orders from Intertek, SGS or TUV prior to dispatch, certifying product.
